

Adventist Hospital Charity

Thanks for your generous support, Penang Adventist Hospital Charity has raised over RM49,812 for Pavishinaa within a week's time. Your donations provide significant support for Pavishinaa to undergo the heart surgery.

We will be discontinuing the donation collection for Pavishinaa today, however for those donations that are still coming in will be in the Hospital's Patient Heart Fund to help the next needy patient.

Truthfully, we couldn't have done this without you. We, and those we serve, sincerely appreciate your generosity.

Pavishinaa's surgery is scheduled on 12th September, let us pray for her to have a successful surgery and smooth recovery!
